

Jay, Don, and Lon were presented with their "radio wings" (an ARC pennant pin) by Chuck Lowry and Day Chapin. The SYC Amateur Radio Committee welcomes the following members who just received their licenses (the airwaves will never be the same): Lon Davidson, KE7QZK, Behan Gifford, KE7QZH, Charlie Stillman,

KE7QZR, Don Glockner, KE7QZG, Fred Still, KE7QYY, Jamie Gifford, KE7QZI, Jay Wheeler, KE7QZE, Nancy Alarcon, KE7QZD, Pam Lowry, KE7QZB, Paul Walchenbach, KE7QZM, Roger Werner, KE7QZC, Susan Stillman, KE7QZL

Our monthly meeting this past week included an emergency radio presentation by Brian Daly. Many members met at the Puyallup Fairgrounds on March 8 to enjoy the Radio Hamfest. Lots of bargains were to be had and some people came home with new radios. The Amateur Radio Committee meets the second Wednesday of the

month and mornings on 146.88 Mhz at 0747 Pacific Time for "around the sound" weather reports. For more information contact Chuck Lowry, Chair.

The Amateur Radio Rendezvous is now being held the weekend of April 12-13 at Port Madison. Please mark your calendars appropriately because this is a change of date. Bob Swaine has developed a very full and fun agenda. Contact Laura Cruz (cruz@cojk.com, KE7HIP) for your potluck assignment.
