

With everyone back in town from cruising, the Amateur Radio Committee held the Fall Rendezvous in partnership with the Cruise 'N Snooze at Port Madison on September 12-13. A great deal of the fun was had with the morning Puget Sound Boaters Net, long-distance radio practice, and the afternoon open boat installation show-and-tell. This was all followed by a wonderful Saturday Greenbox and a great dinner.

Since almost all large-boat SYC sailing members dream about going off-shore some day, the evening long-distance radio demonstration was appreciated by all.

This Chair is pleased to introduce Dan Withers as the incoming Amateur Radio Chair.
